A woman is flying on a jumbo-jet to Europe. After they get up in the air the loudspeaker comes on: "This is your captain Emilia Rodrigues. We are cruising at 35,000 feet...etc. etc." When the announcement is finished a woman passenger beckons to a stewardess and asks, "Is it really true that this great big airplane is being flown by a woman?"

"Yes," says the stewardess, "Captain Rodrigues is a woman." "How wonderful! I am so excited! Do you think you can arrange for me to go up to the cockpit to congratulate her?" "Yes, I think I can arrange that. You might also like to know that the co-pilot is also a woman."

"Oh, how exciting. This is wonderful news! Please let me go to the cockpit so I can congratulate them both!" "OK, you can do that."

You might like to know that actually the entire crew of this plane are women." "That is the most exciting thing I have heard in a long time ...this has really made my day...I just have to go to the cockpit to express my admiration!"

"One more thing you might like to know...we don't call it the cockpit any more."

**HIGHLIGHTS** He will go far as a veterinarian. I believe it said under my high school picture. I did not follow my dream of becoming a veterinarian but instead became a banker 33 yrs. ago and have stayed in the profession ever since. I am presently the Executive Vice President and Chief Lending Officer at a wonderful community bank in Peapack-Gladstone. I got remarried five years ago to Debi. I have two grown children, Heather, who works in the pharmaceutical area and has my one and only granddaughter, Kyra and Glenn who just got married and lives and works in NY City and is presently pursuing his doctorate in psychology. Deb and I really enjoy playing golf and traveling. We are just beginning to explore the possibilities of retirement some years down the roan in, perhaps, North Carolina or South Carolina. When I'm not working at the Bank, I am the President of two Not-For-Profits. The first being a half-way house for women recovering from alcohol and drug addiction and the second being a therapeutic equine riding center for handicapped children and adults. Deb and I live in Hunterdon County on a couple of acres in Union Twp., just west of Clinton

**FAVORITE JOKE** A golfer set up his ball on the first tee, took a mighty swing and hit his ball into a clump of trees. He found his ball and saw an opening between two trees he thought he could hit through. Taking out his 3-wood, he took another mighty swing; the ball hit a tree, bounced back, hit him in the forehead and killed him. As he approached the gates of Heaven, St. Peter saw him coming and asked "Are you a good golfer", to which the man replied: "Got here in two, didn't I?"

Q. Why do gorillas have big nostrils?  
A. Because they have big fingers.

I hate sex in the movies. Tried it once. The seat folded up, the drink spilled and that ice, well, it really chilled the mood.

I'm so depressed. My doctor refused to write me a prescription for Viagra. He said it would be like putting a new flagpole on a condemned building.

A professor at the University of West Virginia was giving a lecture on the supernatural. To get a feel for his audience he asks, "How many people here believe in ghosts?"  
 About 90 students raise their hands.  
 "Well, that's a good start. Out of those of you who believe in ghosts, do any of you think you've seen a ghost?"  
 About 40 students raise their hands.  
 "That's really good. I'm really glad you take this seriously. Has anyone here ever talked to a ghost?"  
 About 15 students raise their hands.  
 "Has anyone here ever touched a ghost?"  
 3 students raise their hands.  
 "That's fantastic. Now let me ask you one question further... Have any of you ever made love to a ghost?"  
 Way in the back, Billy Ray Bob raises his hand. The professor takes off his glasses, and says, "Son, in all the years I've been giving this lecture; no one has ever claimed to have made love to a ghost. You've got to come up here and tell us about your experience."  
 The big redneck student replied with a nod and a grin, and began to make his way up to the podium. When he reached the front of the room, the professor asks, "So, Billy Ray, tell us what it's like to have sex with a ghost?"  
 Billy Ray replied, "Shiiiiit!!! From way back thar, I thought you said, "Goats"!!

**FAVORITE JOKE** A general noticed one of his soldiers behaving oddly. The soldier would pick up any piece of paper he found, frown and say, "That's not it" and put it down again. This went on for some time, until the general arranged to have the soldier psychologically tested. The psychologist concluded that the soldier was deranged, and wrote out his discharge from the army. The soldier picked it up, smiled and said, "That's it."

Jack decided to go skiing with his buddy, Bob. They loaded up Jack's minivan and headed north. After driving for a few hours, they got caught in a terrible blizzard. They pulled into a nearby farm and asked the attractive lady who answered the door if they could spend the night.  
 "I realize it's terrible weather out there and I have this huge house all to myself, but I'm recently widowed," she explained. "I'm afraid the neighbors will talk if I let you stay in my house."  
 "Don't worry," Jack said. "We'll be happy to sleep in the barn. And if the weather breaks, we'll be gone at first light."  
 The lady agreed, and the two men found their way to the barn and settled in for the night.  
 Come morning, the weather had cleared, and they got on their way. They enjoyed a great weekend of skiing. About nine months later, Jack got an unexpected letter from an attorney. It took him a few minutes to figure it out, but he finally determined that it was from the attorney of that attractive widow he had met on the ski weekend.  
 He dropped in on his friend Bob and asked, "Bob, do you remember that good-looking widow from the farm we stayed at on our ski holiday up North?"  
 "Yes, I do." "Did you happen to get up in the middle of the night and pay her a visit? Yes," Bob said, a little embarrassed about being found out. "I have to admit that I did."  
 And did you happen to use my name instead of telling her your name?"  
 Bob's face turned red and he said, "Yeah, sorry, buddy. I'm afraid I did.  
 Why do you ask?"  
 "She just died and left me everything."

**FAVORITE JOKE** When the husband finally died his wife put the usual death notice in the paper, but added that he died of gonorrhoea. No sooner were the papers delivered when a good friend of the family phoned and complained bitterly, "You know very well that he died of diarrhoea, not gonorrhoea. Replied the widow, "I nursed him night and day so of course I know he died of diarrhoea, but I thought it would be better for posterity to remember him as a great lover rather than the big shit he always was."

An elderly couple was on a cruise and it was really stormy. They were standing on the back of the boat watching the moon, when a wave came up and washed the old woman overboard. They searched for days and couldn't find her, so the captain sent the old man back to shore with the promise that he would notify him as soon as they found something. Three weeks went by and finally the old man got a fax from the boat. It read: "Sir, sorry to inform you, we found your wife dead at the bottom of the ocean. We hauled her up to the deck and attached to her butt was an oyster and in it was a pearl worth \$50,000 . . .please advise"  
The old man faxed back: "Send me the pearl and re-bait the trap"

A funeral service is being held for a woman who has just passed away. At the end of the service, the pall bearers are carrying the casket out when they accidentally bump into a wall, jarring the casket. They hear a faint moan! They open the casket and find that the woman is actually alive! She lives for ten more years, and then dies. Once again, a ceremony is held, and at the end of it, the pall bearers are again carrying out the casket. As they carry the casket towards the door, the husband cries out: "Watch that wall!"

**FAVORITE JOKE** When I went to lunch today, I noticed an old lady sitting on a park bench sobbing her eyes out. I stopped and asked her what was wrong. She said, "I have a 22 year old husband at home. He makes love to me every morning and then gets up and makes me pancakes, sausage, fresh fruit and freshly ground coffee." I said, "Well, then why are you crying?" She said, "He makes me homemade soup for lunch and my favorite brownies and then makes love to me for half the afternoon." I said, "Well, why are you crying?" She said, "For dinner he makes me a gourmet meal with wine and my favorite dessert and then makes love to me until 2:00 a.m. I said, "Well, why in the world would you be crying?" She said, "I can't remember where I live!"

Since our 25th reunion..things have changed..Tom and I separated 5yrs. ago after 25yrs..we share in the raising of the boys and share traditions as the boys like to call it..viewing lights on Christmas Eve..birthdays and holidays and their baseball games.. We closed our Wicks'N'Sticks store in King of Prussia, PA in 2001 after 21yrs.. I didn't miss the mall hours or the rent.. In 1999 I opened a scrapbook store (photo and memory albums) here in town. I met many wonderful people that have become part of our family and we all spend special times together..we laugh about which one of the families I'll become in-laws with, since all the friends have daughters.. I closed the store in 2002..the local AC Moore craft store expanded their dept. and I couldn't compete anymore.I now work for the Wegmans grocery chain as a bread seller and part time bread baker. I have a great time talking to the customers. The boys keep me busy with sports and activities and for sure there is never a dull moment.

Kimmie responded with my dog has a first name Ms. Smith asked, and Kimmie replied Damn it Noodles!. Ms. Smith was shocked at the response.. she didn't think she should ask the last name, but it got the best of her..and Kimmie responded Get down the f\_\_\_\_g stairs. True story.

Jim-Bob went in and the mortician pulled back the sheet. Jim-Bob said "Yep, he's burnt purdy bad. Roll him over." The mortician rolled him over. Jim-Bob looked at his butt and said, "Nope, dat ain't Bubba." The mortician didn't see anything unusual about the corpse's backside, but he didn't say anything. Instead, he brought in Billy-Joe. Billy-Joe looked at the body and said, "Yep, he's burnt real bad. Roll him over." The mortician rolled him over and Billy-Joe looked down at his butt and said, "Nope, dat ain't Bubba." The mortician asked, "How can you tell?" Billy-Joe said, "Easy, Bubba had two assholes." "What?!? He had two assholes?!?" "Yep. Everyone in town knew he had two assholes. Every time the three of us went to town, everybody would say, 'Here comes Bubba with them two assholes.'"

Lately, their activities had been limited to meeting a few times a week to play cards. One day they were playing cards when one looked at the other and said, "Now don't get mad at me.....I know we've been friends for a long time.....but I just can't think of your name! I've thought and thought, but I can't remember it. Please tell me what your name is. Her friend glared at her. For at least three minutes she just stared and glared at her. Finally she said, "How soon do you need to know?"

This blonde decides one day that she is sick and tired of all these blonde jokes and how all blondes are perceived as stupid, so she decides to show her husband that blondes really are smart. While her husband is off at work she decides that she is going to paint a couple of rooms in the house.

The next day, right after her husband leaves for work, she gets down to the task at hand. Her husband arrives home at 5:30 and smells the distinctive smell of paint. He walks into the living room and finds his wife lying on the floor in a pool of sweat. He notices that she is wearing a ski jacket and a fur coat at the same time. He goes over and asks her if she is OK.

She replies, "Yes."

He asks what she is doing. She replies that she wanted to prove to him that not all blonde women are dumb and she wanted to do it by painting the house. He then asks her why she has a ski jacket over her fur coat.

She replies that she was reading the directions on the paint can and they said ...

I love this one...

"FOR BEST RESULTS, PUT ON TWO COATS."

| <b>FAVORITE JOKE</b> | See latest issue of The Onion - or -<br><br>One afternoon at Cheers, Cliff Claven was explaining the Buffalo theory to his buddy Norm. Here's how it went: "Well ya see, Norm, it's like this...A herd of buffalo can only move as fast as the slowest buffalo. And when the herd is hunted, it is the slowest and weakest ones at the back that are killed first. This natural selection is good for the herd as a whole, because the general speed and health of the whole group keeps improving by the regular killing of the weakest members. "In much the same way, the human brain can only operate as fast as the slowest brain cells. Excessive intake of alcohol, as we know, kills brain cells. But naturally, it attacks the slowest and weakest brain cells first. In this way, regular consumption of beer eliminates the weaker brain cells, making the brain a faster and more efficient machine. That's why you always feel smarter after a few beers." |  |                                |

It takes an Italian Man to make a Woman feel like a Woman...

On a recent transatlantic flight, a plane passes through a severe storm. The turbulence is awful, and things go from bad to worse when one wing is struck by lightning.

One woman in particular loses it. Screaming, she stands up in the front of the plane. "I'm too young to die," she wails. Then she yells, "Well, if I'm going to die, I want my last minutes on earth to be memorable!

Is there ANYONE on this plane who can make me feel like a WOMAN?"

For a moment there is silence. Everyone has forgotten their own peril. They all stared, riveted, at the desperate woman in the front of the plane.

Then an Italian man stands up in the rear of the plane. He is gorgeous: tall, well built, with dark brown hair and hazel eyes. He starts to walk slowly up the aisle, unbuttoning his shirt.....one button at a time. ....No one moves. ....He removes his shirt. ....Muscles ripple across his chest. ....She gasps... ....He whispers: ...."Iron this, and get me something to eat...."

Two Irishmen were sitting a pub having beer and watching the brothel across the street. They saw a Baptist minister walk into the brothel, and one of them said, "Aye, 'tis a shame to see a man of the cloth goin' bad." Then they saw a rabbi enter the brothel, and the other Irishman said, "Aye, 'tis a shame to see that the Jews are fallin' victim to temptation." Then they saw a catholic priest enter the brothel, and one of the Irishmen said, "What a terrible pity... one of the girls must be quite ill."

 A couple of days later the doctor spoke to Morris and said, "You're really doing great, aren't you?"  
 Morris replied, "Just doing what you said, Doc:  
 'Get a hot mamma and be cheerful.' "  
 The doctor said, "I didn' t say that. I said, 'You got a heart murmur. Be careful.'"

**FAVORITE JOKE** Three kinds -----  
 A young man asks his father, "Dad, how many kinds of breasts are there?"  
 The father, surprised, answers, "Well, son, there are three kinds of breasts. In her twenties, a woman's breasts are like melons, round and firm. In her thirties to forties, they are like pears, still nice but hanging a bit. After fifty, they are like onions."  
 "Onions?"  
 "Yes, see them and they make you cry."  
  
 A young woman asks her mother, "Mom, how many kind of penises are there?"  
 The mother, surprised, answers, "Well, daughter, a man goes through three phases. In a man's twenties, a man's penis is like an oak, mighty and hard. In his thirties and forties, it is like a birch, flexible but reliable. After his fifties, it is like a Christmas tree."  
 "A Christmas tree?"  
 "Yes, dried up and the balls are there for decoration only"

Two old folks got married. As they were lying in bed in their wedding suite, staring at the ceiling, the old man says, "I haven't been completely honest with you. I think the world of you, but you are only number two to me. Golf is my first love. It's my hobby, my passion, my first love." They both stare at the ceiling for a bit; then the woman said, "While we're baring our souls, I guess I'd better tell you that I've been a hooker all my life." The man jumps out of bed, looks at her a moment, then says, "Have you tried widening your stance and adjusting your grip?"

Grandkids are much more fun than I ever imagined. I had a reading contest at my elementary school in 2002-03. If the kids read a bunch of books, I would shave my head and they could write their names on it. Little kids are so much fun to work with. Needless to say, they read like bandits and I shaved my head in early May (hair is growing back) Regards to all & sorry I can't be there.

"What a coincidence, the woman said. For my husband and I have been trying to have a child.  
 Today, my gynecologist told me I'm pregnant! How did your chickens become fertile?" she asked. "I switched cocks," he replied.  
 "What a coincidence," she said.

**FAVORITE JOKE**

There is a story about a popular young rabbi, who on Sabbath eve announces to the congregation that he will not renew his contract and is moving on to a larger congregation that will pay him more.

There is a hush. No one wants him to leave.

Epstein, who owns several car dealerships, stands up and announces, "If the rabbi stays, I'll provide him with a new sedan every year, and his lovely wife with a mini van, to transport their children!"

The congregation sighs, and applauds.

Goldstein, the entrepreneur and investor stands and says, "If the rabbi stays, I'll double his salary, and establish a foundation to guarantee the college education of his children!!!"

More sighs and applause.

Mrs. Goldfarb, aged 70, stands and announces, "If the rabbi stays, I'll give him SEX!!!"

There is a hush. The rabbi, blushing, asks, "Mrs. Goldfarb, whatever possessed you to say that?"

Mrs. Goldfarb answers, "I just asked My husband how we could help, and he said, 'Screw the Rabbi'"

**HIGHLIGHTS**

Having met in Jacksonville, Florida many years ago, John and I have been married 32 years. We moved to Charlotte, NC in 1976 and then here to Atlanta in 1979. I worked as a programmer for a while, but became a stay-at-home mom when my boys were born. Since then I worked for 16 years at Deloitte Consulting, most recently as an Oracle consultant, but am currently retired. John spent years as a sales rep in the clothing business and now works for Emory University heading up their recycling program. For a while, I thought everyone spent their vacations going to their children's soccer tournaments. I thought I knew every soccer field in the southeast. We are currently in the process of having a 1952 MGTD restored something I've wanted since I was in college. Our only claims to fame are that we live in Bobby Cox's old house (the Atlanta Braves manager) and Jayson Blair (of NY Times fame) was our neighbor for a while and played with our son, Jason when they were little.

| <b>FAVORITE JOKE</b> | A lady went to her doctor to ask info re having her breasts enlarged. He told her not to do it surgically, but every day when she got out of the shower to rub her breasts & say-Scooby, dooby,dooby, please increase my bobbles. She figured she'd give it a try. So everyday she rubbed her breasts and said-Scooby, doobie, doobie, please increase my boobies, and sure enough after a few weeks she noticed her boobs were bigger. She kept this up for a while but one day on the bus on the way to work she realized she'd forgotten to do it. She was in a quandary-should she do it on the bus or forget it that day, but she was afraid if she didn't do it, she'd lose everything she had gained. So she stood up in the bus, rubbed her breasts & said: Scooby dooby dooby please increase my boobies, and as she was walking back to her seat, a man stopped her and asked-<br>Excuse me miss, but do you go to Dr Smith? Why yes I do, why do you ask and he said:<br>Hickory dickory dock ===== |         |                                |

**FAVORITE JOKE**

Returning home from work, a blonde was shocked to find her house ransacked and burglarized. She telephoned the police at once and reported the crime. The police dispatcher broadcast the call on the radio, and a K-9 unit, patrolling nearby was the first to respond. As the K-9 officer approached the house with his dog on a leash, the blonde ran out on the porch, shuddered at the sight of the cop and his dog, then sat down on the steps. Putting her face in her hands, she moaned, "I come home to find all my possessions stolen. I call the police for help, and what do they do?  
They send me a BLIND policeman."
